

Notice of Acceptance of Draft Generic EIS and Public Hearing

St. Lawrence County – The Village of Massena, as lead agency, has accepted a Draft Generic Environmental Impact Statement (DGEIS) on the Massena – Louisville Local Waterfront Revitalization Program. A public hearing on the Draft GEIS will be held on **April 7, 2009 at 6:00 p.m.** at the Town Hall, 60 Main Street, Massena, New York 13662. The public hearing will coincide with the regular monthly meeting of the Village of Massena Board of Trustees on the second floor, room 30 of the Town Hall. Written comments will be accepted until **April 17, 2009.** A hard copy of the DGEIS is available at the Village Clerk Office, 60 Main Street, Massena, New York 13654. The GDEIS may be viewed on-line at www.masenaworks.com.

The action involves the adoption of zoning ordinances, consistency laws and various local law codes for the Towns of Louisville and Massena and the Village of Massena in the area defined as the Waterfront Revitalization Area (WRA). The WRA consists of the area of the Grasse River, at high water mark, from The Alcoa Bridge Road to the hamlet of Madrid and is coterminous along the St. Lawrence River with the New York State Department of State Coastal Boundary in the Towns of Louisville and Massena. Consistency Laws will result in Federal, State and local projects being reviewed to ensure projects and activities are consistent with the policies described and local zoning and/or subdivision regulations shall address waterfront development and protection.
